LETTER FROM PRESIDENT & CEO

This past year has reaffirmed for us the deep and abiding commitment our community has for supporting one another. Despite ongoing challenges, we continue to witness the remarkably generous spirit, creativity, and determination that are the hallmarks of our Owen County community.

In the roller coaster economy of 2022, the Owen County Community Foundation remained resolute in **distributing \$127,000 in scholarships** for students to achieve their higher education goals and **\$615,000 in grants** to help 100 nonprofits and charitable projects achieve their purpose and fulfill their mission of addressing local needs. From youth programming to public safety, adult learning to college scholarships, economic disparity to emergency response, and animals to art, we do our work for the 22,000 residents living throughout Owen County. We do it each and every day, for our most vulnerable youth all the way to our beloved senior citizens, right here at home.

We believe in making a difference and making it right here in Owen County.

From our robust Board of Directors to our Professional Staff, we believe in solving local needs with local funds and connecting local nonprofits with local donors. We are galvanizing Owen County to give and serve through teamwork and collaboration, building the Owen County of tomorrow.

We are leading and growing into the future. Come along with us!

Janet Rummel
President & CEO

MISSION

To enhance the quality of life for all citizens of Owen County, now and for generations to come.

VISION

To be the trustworthy resource for philanthropy by building permanent endowment, addressing needs through grantmaking, and providing leadership resources to serve our community.

VALUES

- Philanthropy
- Stewardship
- Leadership
- Integrity
- Excellence
- Respect

DATA-DRIVEN GRANTMAKING

OCCF's grantmaking strategy honors the importance of community members' perspectives (trust-based) alongside hard data (data-driven). Weaving these practices together allows us to better serve Owen County and understand the depth and breadth of our impact. In each annual report, we will continue to provide high-level summaries of the data we used to inform our grantmaking.

Food Insecurity in Owen County

COVID-19 brought an unexpected economic shock to families across Owen County, with workers suddenly unemployed. Although 2022 saw our county recovering from the pandemic, many Owen County families struggled to cover the increasing costs of basic needs such as food, shelter, health care, transportation, and child care. The local food pantries supported by OCCF reported that need was as high as ever, as was the cost of the food they provide.

Hunger and Food Insecurity

Those words seem the same but mean different things.

Hunger is the feeling someone has when they don't have food.

Food insecurity is the consistent lack to food to have a healthy life because of your economic situation.

Food security is a federal measure of a household's ability to provide enough food for every person in the household to have an active, healthy life.

Effects of Food Insecurity

Food insecurity can have a wide impact, including:

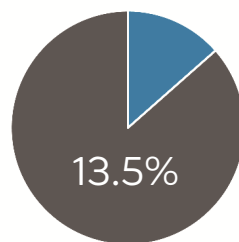

- Causing serious health issues when people have to choose between spending money on food and medicine or healthcare.
- Making it more difficult for a child to learn and grow.
- Leading to difficult decisions like choosing between food and rent, bills, and transportation.

Food insecurity is one way we can measure the risk of hunger.

SNAP (Supplemental Food Assistance Program)

Federal aid program administered by the Indiana Family and Social Services Administration designed to raise the nutritional level of low income households (also known as "food stamps"). Households must be below 130% of the federal poverty level. Currently, for a family of four, the gross monthly income must be at or below \$3,007.

2022 Owen County SNAP Benefits	
Total food stamps issued	\$414,812
Number of households receiving food stamps	948
Number of food stamp recipients	2,041
Average issuance per household (month)	\$438.13
Average issuance per recipient (month)	\$203.34

Data Source: STATS Indiana FSSA Monthly Reports.

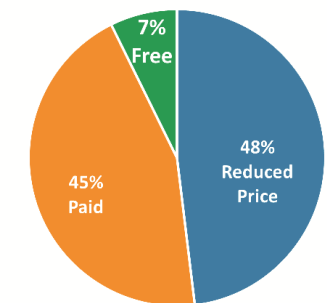

National School Lunch & School Breakfast Programs

Schools provide meals to K-12 grade students, including free or reduced-price meals to students who qualify under the programs' poverty guidelines, which are adjusted annually for family size and income. Schools receive reimbursement for each meal served that meets program requirements.

Income Eligibility for a Family of Four (gross monthly income)	
Reduced Price Meals (185% of federal poverty guidelines)	\$4,279
Free Meals (130% of federal poverty guidelines)	\$3,007

Helping Owen County Thrive

By mobilizing philanthropy for our community, we provide a stable funding source to respond to today's needs and tomorrow's challenges.

OCCF's grants program evolved significantly in 2022, and the new approach allows us to continue to respond to immediate needs while working to address deeper issues in our community. OCCF's Community Investment Grants and Large Impact Grants help local organizations transform innovative ideas into new programs and support organizations coming together to solve community challenges and efforts that help people lead in strong, equitable, and connected ways.

Strategic Plan Progress Report

In 2021, the OCCF Board of Directors adopted a five-year Strategic Plan (2022-2026) to support our vision of being the trustworthy resource for philanthropy by building permanent endowment, addressing needs through grantmaking, and providing leadership resources to serve our community. In 2022, we made significant progress toward each of our Strategic Plan Goals.

GOAL ONE 	MARKETING & COMMUNICATION <i>Share Our Purpose</i>	Nonprofits, donors, partners, and community are more aware of OCCF's vision, mission, and impact.
	New Marketing & Communications Committee OCCF Promotional Video	Redesigned website, annual report, & newsletters County-wide postcard mailer
GOAL TWO 	DEVELOPMENT & DONOR SERVICES <i>Increase Assets to Increase Impact</i>	Promote philanthropy by helping donors meet their charitable goals and meet the community's greatest needs.
	New tiered-giving operating campaign: The Giving Tree \$635,196 in gift & grant income	251 new donors 5 new endowment funds
GOAL THREE 	GRANTMAKING <i>Make Effective & Inspiring Distributions</i>	Establish a more intentional grant process, linking funding priorities to focused outcomes.
	Grant applications moved to online system Revised grant programming focused on investment and impact	Regular pre- and post grant site visits \$742,170 distributed to improve our community
GOAL FOUR 	COMMUNITY LEADERSHIP <i>Serve as a Strategic Community Leader</i>	Activate and convene resources.
	Advisory roles: Owen County CCB; Child Care Committee; Economic Development; Comprehensive Plan	Significant progress on MYPath trail system Owen County nonprofit online database
GOAL FIVE 	SUSTAINABILITY <i>Ensure the Permanence of the Foundation</i>	Build an energized and financially sustainable business model that aligns with our mission and meets our short and long-term goals.
	Increased the diversity and number of committees and board members	New investment advisor & custodian Extensive fund audit & policy review

COMMUNITY GRANT FUNDS

The Owen County Community Foundation's pool of unrestricted and field of interest funds is the engine that drives our competitive grant processes. These grants assist Owen County nonprofit organizations in improving the lives of Owen County citizens.

We are pleased to recognize the following funds, each of which have assets of over \$100,000 and have a combined value of more than \$2,000,000. Total grants from these funds are listed under each.

- D M J Community Fund
\$14,379
- Hackworthy Family Community Fund
\$37,497
- Morgan L. Drescher Family Fund
\$17,427
- Nancy McKay and Richard Wayne Lorenz Family Fund
\$16,026
- OCCF Community Fund
\$379,025
- Paul & Ione Fulk Community Fund
\$84,244
- Wells Family Fund
\$33,345

Our competitive grants process was made possible thanks to the following community grant funds:

| | John King Fund for Owen County | |

Large Impact Grant Recipients

Crossroads Ranch, Inc.

OCCF awarded \$24,255 to Crossroads Ranch Inc. for the implementation of an equine experiential learning (EEL) program. This program targets at-risk youth but is available to all individuals under the age of 18 in our community. Crossroads Ranch's mission is to help people discover and develop their hidden potential through meaningful experiences with horses. They create structured lessons that put participants in safe, but slightly challenging situations involving a horse. The result is that the participant learns that they are stronger, smarter, and better equipped to handle experiences that life throws at them.

The Owen News Project

The Owen News Project earned a \$10,275 planning grant toward the development of local nonprofit media. The planning grant will allow The Owen News Project Board of Directors to investigate best practices in nonprofit journalism and successful models, expand partnerships, seek additional grant dollars, and develop an implementation plan. A recent study conducted by the Hussman School of Journalism and Media demonstrated that "the people with the least access to local news are often the most vulnerable - the poorest, least educated and most isolated." The Owen News Project seeks to provide an additional source of news, pertinent to Owen County residents, which will be held to the highest journalistic standards of ethics and responsibility and provided at an affordable rate.

GRANTS

Community Grant and Field of Interest Funds - \$435,591

American Legion Post 285
Flag poles for Veterans Park

 \$194

GRANT SPOTLIGHT

Spencer Pride, Inc.

Spencer Pride, Inc. received a \$5,000 grant, toward the continued restoration of the upstairs of the Pride building, now known as the Golden Discovery Ballroom. This space has taken more than two years to complete and will be used for health screenings, mental health and legal consultations, in addition to a meeting area for support groups and educational programs. The OCCF grant was used as matching funds, allowing Spencer Pride to get an even larger grant award from another source.

Owen County Chamber of Commerce & EDC

OCCF provided more than \$35,000 in grant funds over the past two years for the Exchange Center for Entrepreneurship. Located in the former Exchange Bank building at the corner of Main and Market and equipped with high speed internet, it will house ten flex spaces, lockers, a conference room, outdoor fiber garden, and more. The Exchange offers a combination of an affordable workspace, strong community partnerships, and critical business advisory services that support entrepreneurs and their businesses.

Owen County Food Pantries

Serving a record number of families in 2022, Gosport, Garrard Chapel, and Mark of Discipleship Food Pantries received \$27,900 in grant funds from OCCF. Garrard Chapel and Mark of Discipleship began expansion projects, also supported by OCCF, that will house larger quantities of supplies and will allow them to serve the public more efficiently. OCCF awarded a \$5,000 Community Investment Grant to Hoosier Hills Food Bank, which provides food to all of Owen County's food pantries. These funds went toward the purchase of an additional truck for food deliveries.

GRANT TAKES MYPATH TO THE NEXT LEVEL

Hopefully, you were part of the fanfare and excitement last summer when the Indiana Department of Natural Resources (DNR) announced that the MYPath Trail System was a recipient of a very-competitive Next Level Trails grant. The \$640,000 state funding, combined with support from the Foundation and other partners, will create a paved, multi-use path along the West Fork of the White River.

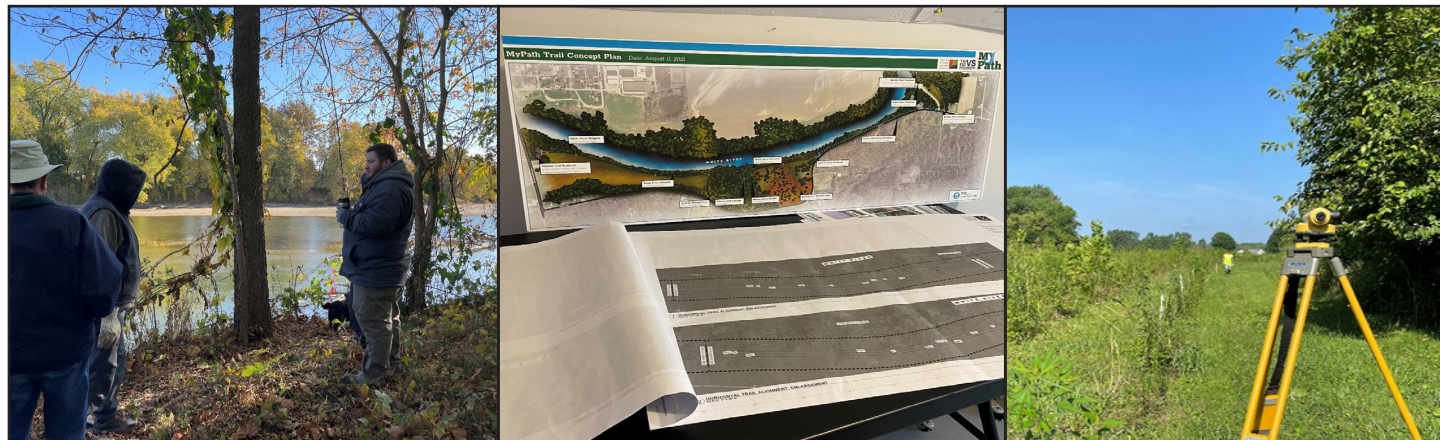

At first glance, the trail looks the same as it did before the grant was announced. However, if you look more closely, you might notice a pink ribbon here and there that was placed by the survey crew. You might notice brush has been removed from spots on both sides of Elliston Creek, where the bridge will go. Clearing work along the river reveals a route for the future trail. What you can't see is the work that has been happening with engineering and design.

Preliminary design work is beautiful, incorporating a new paved trail while preserving portions of natural trails that have been popular with trail users. In all, the upgraded Riverfront Trail will allow even more people to enjoy Owen County's natural treasures and incorporate the White River better than any other trail in the state.

The engineering plans are in the hands of permitting agencies (DNR, IDEM, Army Corps of Engineers), who must give their approval before construction begins. Once construction is approved, it won't be difficult to see the progress.

These types of multi-use trails have proven transformative in communities around the state. Once a trail for walkers, bikes, strollers, wheelchairs, and more is open along the river, Spencer and Owen County will experience the same recreation, health, and economic benefits that other communities have enjoyed.

In addition to the DNR grant, the Riverfront Trail is blessed by support from the Owen County Community Foundation, the Owen County Soil and Water Conservation District (land), Duke Energy Foundation (design), Smithville Charitable Foundation (signs and bike racks), Owen County Commissioners (bridge), John R. and Elizabeth Rogers Fund (design), DeCoursey Family Fund (design), individual donors, and many, many volunteers (see story this issue).

NEW MEADOW TO BRING NEW FLOWERS

What do you do with 11 acres of overgrown, abandoned field? If you are the Owen County Community Foundation and the Owen County Soil and Water Conservation District, you transform it into a pathway and a natural education center.

The Owen County Soil & Water District purchased the land along River Road with a grant from the Foundation, and then the MYPath New Meadow was created thanks to a grant from the Duke Energy Foundation. With this property, the MYPath Trail will continue from Elliston Creek, along the river, to River Road. Nearly in the middle of the meadow, a large pollinator garden will serve our local ecosystem by providing flowers and plants to support local insects and birds. Visitors will be able to visit this garden from River Road and the MYPath Trail.

To claim our spot for the pollinator garden from invasive plants, then-MYPath Intern Abby Warthan coordinated a project of mowing and tilling the garden. Then she worked with Owen County Judge Kelsey Hanlon to organize a team of volunteers and resources from the Lilly Foundation Lead Forward grant. A Lilly Scholar herself, Hanlon secured the Lead Forward grant for the New Meadow. In one evening, the Lead Forward volunteers covered the garden with plastic.

Once the plastic had covered the ground long enough to eliminate most of the invasive plants, a team of volunteers, including Lead Forward participants, the Spencer Garden Club, and Friends of MYPath peeled back the plastic and held a big planting session. In less than two hours, the team of volunteers planted 1,200 pollinator plants from Harriman Farms. Thanks to volunteers who watered the new plants, the garden seems to have survived, though the deer have been nibbling some of the plants.

Special thank you goes to Steve and Mary Jo Fox who spent a lot of time watering plants and mowing the surrounding field. And thanks to the Boston Scientific volunteers who helped weed the garden. And thanks to Eagle Scout candidate Jack Bandy for building three benches around the garden.

NEW MEADOW HOME TO UNUSUAL TREE

The Willow Oak is an interesting tree in the Red Oak family, with narrow, willow-like leaves. It is not an unusual tree in the southern and eastern United States, but it is unusual in Indiana. We have a nice willow oak cluster in the New Meadow. We hope to place an interpretive sign near the tree.

MYPATH LEAVES SOUTH MAIN FOOTPRINT

When construction starts on the Riverfront Trail, we might be tempted to turn all our attention to the natural world that MYPATH touches. But we don't want to miss the impact of MYPATH in town. On our way to the new trail, we will notice the improvements to Spencer South Main Street, the shared sidewalk paths connecting businesses and neighborhoods through Spencer. One benefit of a trail like MYPATH is that it provides visitors with access to shopping, dining, and other activities in town.

Thanks to MYPATH grants, a new sidewalk, decorative streetlights, banners, and sidewalk markings lead the way through Spencer. This year, new benches will let visitors rest while they consider a sign designating the 1913 high water mark, an interpretive sign about the former

“Colored School” in Spencer, or one of the new point-of-interest signs throughout town. A project by the Spencer Owen County Chamber of Commerce and Economic Development identifies distinct neighborhoods in town, connected by MYPATH.

These improvements come from generous grants from ROI and Smithville Charitable Trust and the cooperation of the Town of Spencer.

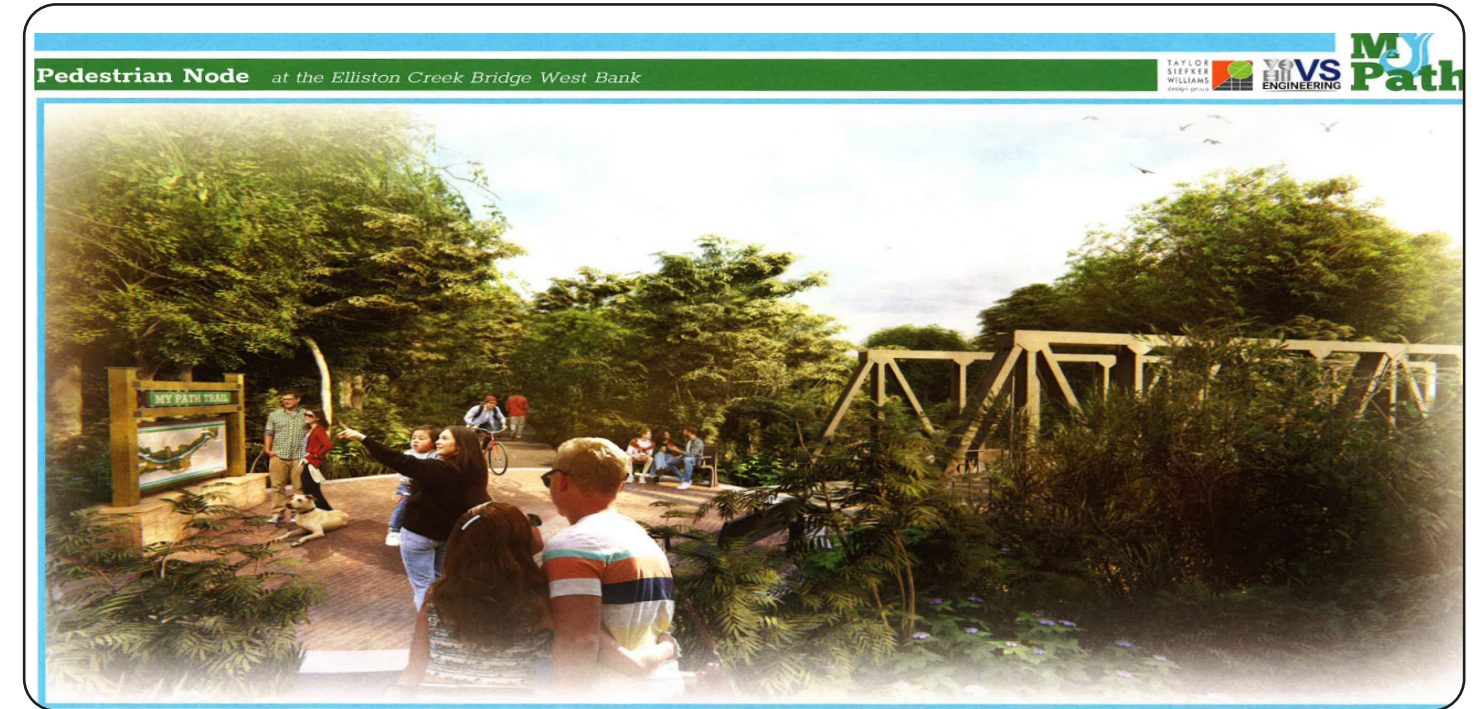

VOLUNTEERS ARE KEY

A project is truly a community project if volunteers from the community are a part of it. Fortunately, when MYPATH needs help, an eager group of volunteers steps forward. Whether it's a group of students from the Owen Valley JROTC program and local Scouts, or young leaders from Boston Scientific intern group and Lilly Scholars Lead Forward participants, or OCCF Board and Staff, or experienced leaders from Spencer Garden Club and Friends of MYPATH, many great volunteers are making MYPATH a valuable amenity for Spencer and Owen County. We continue to have opportunities for volunteers to make this a fantastic trail for our community. If you are interested in helping, please contact mypath@owencountycf.org.

THE VISION

Like all great projects, the MYPATH Trail System is built on a solid foundation. A conversation in 2016 between then-Foundation president Mark Rogers, then-YMCA CEO Darryl White, and McCormick's Creek State Park Property Manager Dwight Brooks started the concept of a safe multi-use path between the Owen County Family YMCA, through Spencer, and into the state park. That dream led to a plan, which has led to multiple community improvements, collaborative partnerships, and hundreds of thousands of grant dollars.

ACCOMPLISHMENTS

- Shared-surface route from the OC Family YMCA to downtown Spencer
- Improved sidewalk, lighting, & signage
- Public restroom facilities
- MYPATH trailhead in Cooper Commons
- Natural surface trail from Soil & Water Conservation office to Elliston Creek
- Creation of the new meadow near River Road

IN THE WORKS

- Create ADA accessible Riverfront Trail
- Bridge over Elliston Creek
- New neighborhoods requesting to connect to trail
- Finish path to McCormick's Creek State Park
- Create regional trail connection to Monroe County & beyond
- Historic walking tour of Downtown Spencer

DONORS

Every effort is made to ensure your name is written as you wish. If your name is incorrect, or you wish to be listed differently, please contact the OCCF.

GIVING BACK

It starts with YOU the donor

An individual, family, business, or charitable organization makes a tax-deductible gift of cash, securities, real estate, or other property.

With a PASSION for your community

Your gift creates or adds to a charitable fund to benefit causes important to you now or in the long term. Human/animal welfare, education, human services, the environment, church of your choice or any cause important to you which betters our community

Whose GIFTS are used

Gifts such as cash, securities, real assets, retirement funds, insurance, and bequests. No gift is too small!

To CREATE & BUILD funds for the community

Funds are invested prudently for long term growth and overseen by an investment committee of local professionals.

DISTRIBUTIONS from the fund fulfill your charitable passions through grants to charitable organizations or scholarships

The support your fund provides to nonprofit projects, organizations, and student scholarships strengthens our community while creating your lasting legacy of giving.

ALL FUNDS are governed by an agreement between OCCF and the donor.

- Unrestricted · Donor Advised · Designated · Agency · Field of Interest · Scholarships

The OCCF Team

- Meets with donors to determine which type of fund is right for their goals
- Assists donors with giving complex gifts
- Grows fund assets
- Offers expertise on community needs
- Preserves donors wishes in perpetuity
- Provides regular statements on fund activity

HOW TO GIVE

DONOR ADVISED FUNDS

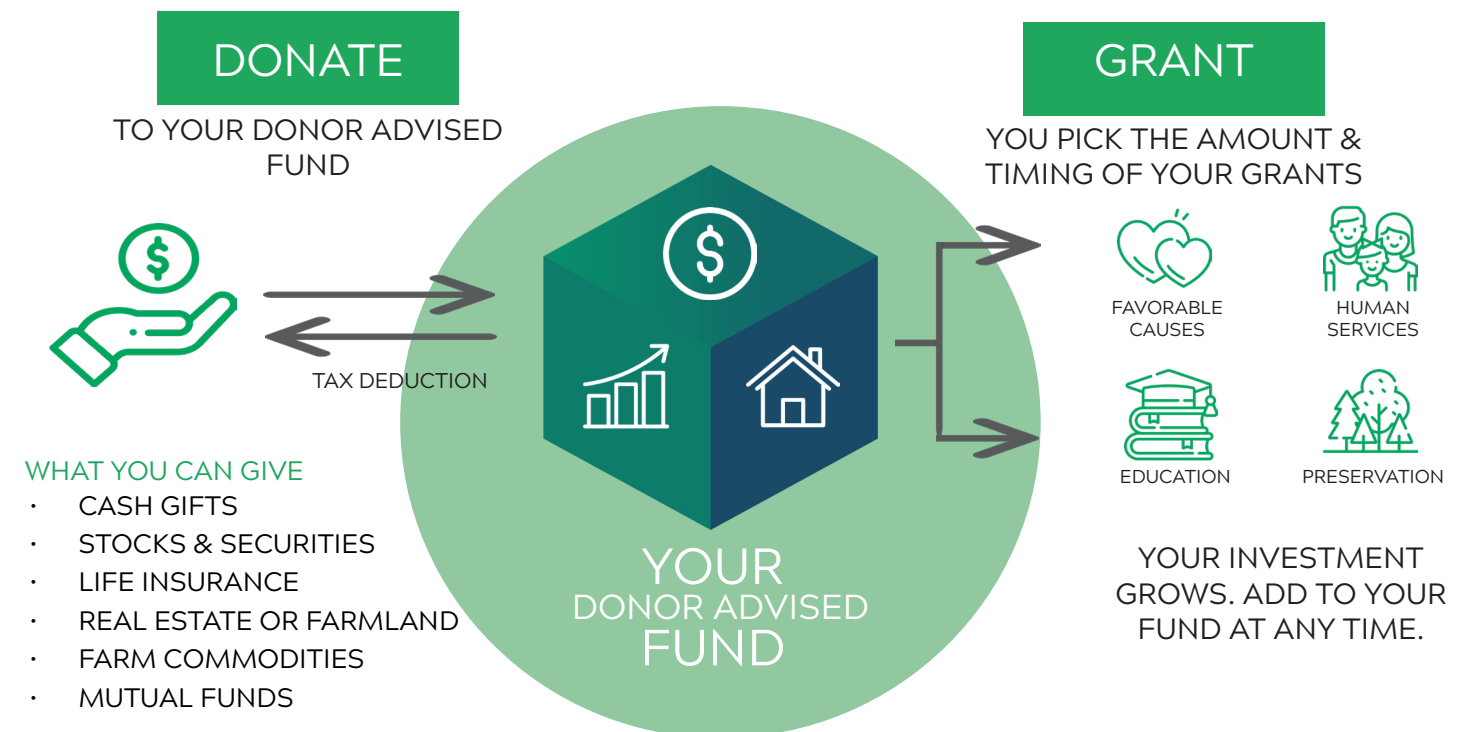

Joani & Ed Staubach Donor Advised Fund Established 2021

Joani and Ed Staubach are two Indianapolis transplants living in the heart of Owen County. They share many passions including protecting Owen County's natural beauty and rescuing animals in need. Joani and Ed enjoy the increased flexibility that a Donor Advised Fund has for giving to their favorite charities.

The process is simple - they utilize the OCCF's secure online Giving Gateway where they can create their grant requests online with the click of a button.

Grant requests are not limited to organizations located in or serving Owen County, but are limited to 501(c)(3) nonprofits, schools, governmental agencies, and churches, per IRS rules.

HOW IT WORKS

The individuals listed here have been honored by a contribution to one of the permanent endowed funds within the Owen County Community Foundation. Tribute gifts recognize friends or family on occasions of a birth, anniversary, birthday, holiday, or any special celebration. Memorial gifts provide a way for families and friends to remember their loved ones. Tributes are another way to make a lasting impact in the community with a contribution to your OCCF. We received the following Honor & Memorial gifts from January 1, 2022 through December 31, 2022. The name of the person being memorialized or honored is in bold.
